

## About us

At an international level, ANSOLE promotes research and educational activities in the areas of renewable energy and access to clean water in Africa. At a local level, ANSOLE supports integration, art, and culture.

ANSOLE is registered as an NGO at the Local Court of Jena under VR 231505.

## UN recognises ANSOLE Energy Compact.

**ENERGY  
COMPACTS**

**Funding for  
2025 through  
regranting:**

## AMAH

Through the AMAH project (contact point for people of African origin), ANSOLE e.V. aims build bridges between Africans living here (in Jena and the surrounding area) and German society. The AMAH project has the following goals:

- Counselling and support in case of discrimination
- Anti-racist educational work
- Intercultural exchange and knowledge transfer
- Organisation of **AFRICADAYS**
- Networking and cooperation with both migrant and German organisations

**Join us  
and/or  
donate!**

**Funding:**

Landesverwaltungsamt

## MIGRANTh

It concerns biographies and life paths that enrich and shape our society. We also feature associations and companies that were established by people from different regions of the world and which today make an important economic or civic contribution. In this way, we give a face and voice to migrants in Thuringia.

**Funding:**
